

# The California Mortgage Bankers Association (CMBA) and CampusMBA Bring You **Essential FHA Education**

## Two Valuable Courses on FHA Lending

CMBA and CampusMBA, the education division of the Mortgage Bankers Association (MBA), believe FHA lending education is vital to the future success of mortgage lending and are partnering to bring you essential FHA education.

### **FHA Fundamentals Workshop** **March 23 in Santa Ana, Calif.**

This intense one-day course targets those who are new to FHA lending or who need to refresh their knowledge of FHA guidelines. FHA lending processes have improved over the past two years, and this workshop covers these updates in procedures and regulations. This course covers the Housing and Economic Recovery Act of 2008 (HERA) as it relates to FHA lending.

### **FHA Underwriting & Operations Workshop** **March 24 in Santa Ana, Calif.**

This one-day course is designed for residential processors, underwriters and quality control staff responsible for the details within an FHA loan. It takes a deep dive into the processing and underwriting requirements and helps participants apply those guidelines and rules in day to day operations. In addition, it covers the back end of the process from closing through insuring and quality control. This course is recommended for those who have taken the FHA Fundamentals workshop or have at least 2-4 years of recent hands-on FHA experience.

#### **Cost**

\$225 per person/per course (MBA or CMBA member)  
\$450 per person for both courses (MBA or CMBA member)  
\$295 per person/per course (nonmember)  
\$590 per person for both courses (nonmember)

#### **Workshop Location**

First American Title, 3 First American Way  
Santa Ana, CA 92797

#### **\*DE (Direct Endorsement)**

FHA Fundamentals Workshop provides complete information on all origination, processing and underwriting requirements unique to FHA loans. Lenders across the country use these courses as part of a certification program for their processors and underwriters who are looking to become DE (Direct Endorsement) Underwriters.
